Let's call the PDF: Chemours Company well sampling results (March 2018)

Does that work for folks?

If so, Christina, let us know once it's up.

Andrea,  
Please see attached table for GenX (HFPO-DA) sampling results for the 14 public and private water supplies in West Virginia and Ohio.  
Is it possible to get it posted onto the website soon?  
If so, we may still be able to make the notifications today – please advise.  
Thank you!
